Catering Rider

Drinks

The band are hopelessly addicted to that most rock'n'roll of drinks, tea. In the event you can provide us with a mug or two before and after the gig, we'll be more than happy.

| Who | How |
|-------|---|
| Anne | Just a splash of milk, no sugar |
| Annie | White, no sugar |
| Mal | White, three sugars |
| Mike | White, two sugars or sweetener |
| Rika | Dunk the tea bag and take it out again immediately. No milk or sugar. |
| Tim | White, no sugar |

Also, please provide copious quantities of water on stage - tap water is just fine.

Thank you!

Food

In the event that there's food made available for the band, please be aware that Rika is largely vegetarian and Anne's allergic to fish. Other than that, we're not fussy.
